OSA-3086-63

13 JUN 1963

MEMORANDUM FOR: Contract Personnel Division
Office of Personnel

SUBJECT : Contract Amendments

1. It is requested that the contracts on the below named special employees be amended, effective 1 January 1963, to provide for the payment of post differential when applicable:

25X1A

2. The provision for post differential existed in the contract from its inception and was inadvertently omitted when we converted to the bonus system of payment. Although the omission was subsequently caught, we did not take rectifying action because it was our opinion that there would be no situations where the individuals would qualify for the post differential. This assumption has proven incorrect and it is for this reason that the instant amendment request is submitted.
